2021 SKYHIGH CIT REGISTRATION FEE SCHEDULE

The SKYHIGH Adventures Coaches In-Training (CIT) program is designed for our older experienced athletes, ages 13 and up, to develop leadership and collaborative skills in working with youth athletes. SKYHIGH CITs are given responsibilities in supervision and instruction of youth athletes while also receiving skills-training and opportunities to participate in challenging outings and adventure activities. CITs also assist in many regular tasks that keep things running smoothly at camp. CITs are an important part of SKYHIGH Camp.

CIT spots are limited. Each year we have more requests for CIT positions than we can accommodate. We carefully plan each week so that CITs are paired with staff and athlete groups that best fit the skill set of each CIT and the needs of our program. Please register early to ensure that we can plan appropriately and to save your spot. We will have virtual in-service training for staff and CITs during the off-season.

Working with young people as they develop and progress through high school and college is very rewarding. We look forward to working with your teenager as they transition into adulthood.

If your child would like to be a part of the SKYHIGH CIT program, we will help make it happen. We offer camperships, installment options and a sibling discount of \$10 per athlete per week.
